LITTLETON MUNICIPAL  
SWIMMING POOL  
DEDICATED SEPT. 1, 1969

ANNUAL  
REPORT  
1969

Chiswick 1764

Apthorp 1770

Littleton 1784

Gov. Benning Wentworth in 1764 granted a charter to Chiswick. No settlement of the town was effected. After the expiration of five years from the date of the charter the proprietors admitted a forfeiture and petitioned for a new grant of the same territory.

The second grant was called APTHORP and was made January 18, 1770. Apthorp was named for George Apthorp, a London merchant, to whom was given a right of 400 acres, about which he never troubled himself to pay taxes. However the town was represented in the legislature of New Hampshire every year from 1775 to the adoption of the new state constitution in 1784. In 1773 Apthorp had a total population of 14; in 1782 there were but nine polls reported. Under the dangers of war old Captain Nathan Caswell seems to have betaken himself with his family to the fort at Northumberland.

The territory of Apthorp in 1784, so far as it had not been sold to actual settlers, was in the hands of a very few persons and they petitioned the legislature for a division of Apthorp. The acres comprising the township of Littleton were purchased by Moses Little of Newbury, Vt., (and others) and incorporated, using the name LITTLETON, in 1784. An act was passed in accordance with the desires of the proprietors on the fourth of November 1784 and by this act the first town meeting was called by John Young of Gunthwaite. By his agency the town was organized in 1787 and the other part of Apthorp took the name of Dalton.

*These sentences are composed from material given in addresses at the Centennial Celebration of the Incorporation of the Town of Littleton, July 4, 1884, and published in book form by the town in 1887.—Effie S. Willey for the Littleton Area Historical Society*

## LIBRARIAN'S REPORT

1969

Our Statewide Library Development Program was moving fast and offering much to the people of New Hampshire through the public libraries. In April, 1969 we first heard that the fiscal 1970 (beginning July 1, 1969) Title I funds of the Library Services and Construction Act might be cut in half. Since July, 1969 many services did come to a grinding halt. Briefly, the number of trips and the book collection for bookmobiles are cut; the film service is reduced with no new films; centralized book ordering and cataloging ended; reduction in office staff reduces the Library Consultants' time for professional duties; the State Library staff is cut. Many of us wrote to Washington concerning this setback. We and many of you saw the President veto the Appropriation Bill in late January on television. Many of us hope that much more review will be done at the national level soon.

Individuals and groups have had time to re-evaluate all phases of the Library Development Program. The most outstanding and far-reaching work of this kind was done at Waterville Valley when 63 persons met October 2, 1969. For information concerning this meeting one should read Barbara B. Holden's account called **REVIVAL IN WATERVILLE VALLEY?** to be found in **North Country Libraries**, January-February, 1970. As your librarian of a Service Center Library and as Chairman of the North Country District Advisory Council, it was a challenge to attend this meeting. It was more than a challenge; it was a responsible, moving, constructive massing of the minds to help libraries immediately and in the future.

Our State Aid grant for research caliber books is \$704.00 for the year 1970. Before the year is over, we hope to see the Statewide Borrower's Card in use.

The library board checked the policy and made some slight revisions. A new sign has been purchased for the lawn giving the library hours. The paintings given to the library by Daniel Remick, February 17, 1914 have been studied by local artists: Mr. John H. Tilton, Mr. Hamish G. W. MacEwan, and Dr. James G. Bogle. Several will be cleaned and hung in the library as these men suggest. We are most grateful for the special service given by these friends of our library. Corrective measures have been taken at the rear of the library to prevent water damage. The library staff has three college trained members who serve as teachers to all age groups. The salaries have not kept up with those offered in like positions or with the cost of living. A study of this situation was made by Mrs. Stephanie E. McGoldrick. After study and discussion the library board voted a salary raise for library staff members.

Mrs. Sally Haskell resigned in February, 1969 after nearly five years of conscientious service to the Littleton public. Until the end of the school year, Mrs. Richard Highter served in this position. Beginning June 30, 1969, we secured the services of Miss Patricia Stillings who has worked at Baker Library, Dartmouth College for eight years and has now come back home.

Miss Mary F. Miles works for us Tuesday and Thursday nights and occasionally substitutes as Mr. Oscar Polhemus and Mrs. Marion Lewis have also served. We are most grateful to these people.

Mrs. Anna Hayden brought two 9th year English classes from Littleton High School to the library in the fall for instruction in the use of the library.

A film program was initiated at the beginning of 1969 at our library. The films, based on children's literature and current interests, are obtained free of charge from the New Hampshire State Library and, for the first half of the year, we used the projector and screen from our State Library District Office in Littleton. The program, held in the Children's Room at the library, proved to be so popular that our Board of Trustees felt it worthwhile to purchase a screen and projector of our own. Mr. Stanley Jasak made the necessary arrangements and by early August we had the new projector and screen in operation. Throughout the year we have had 29 programs with an attendance of 1990. Special showings have been held on request for the Head Start group, Mrs. Appleby's Nursery School, and the Girl Scouts. We hope that we can expand to include more special groups in 1970. (This paragraph was written by Ellen Morrow.)

In the spring Mrs. Ellen Morrow attended a library education course held at Plymouth State College. The course, Programs and Services for Adults and Young Adults, was taught by Mr. Richard Parent, a District Library Consultant.

In memory of Mrs. Charles Weeman, Mrs. Ann K. Schoff, Enola Ruggles, Dorothy O'Neil, George H. Tilton, Jr., Milton V. West, Pfc. Yvon E. Girouard, Laura West, Mrs. Leon Ordway, Annie M. McConnell (Mrs. Angus A. MacInnis), E. Emmet Beere, Stanley B. Parker, and Mrs. William A. Tryon, the library added 21 books in 1969.

The landscaping of the library lawn and the Christmas wreathes made each year by the members of the Littleton Garden Club give a warm feeling of pride that people care.

The White Mountain Garden Club continues to provide beautiful flowers in the summer for the loan desk as well as providing the library with excellent books on different phases of gardening. We do appreciate their interest.

The teletype machine in the New Hampshire State District Office in Littleton has really speeded up communication with the State Library. Our library has made good use of the fast service. We also wish to thank Mr. Ralph Riley, Mr. John Wright, and Mr. Harry Paquette for frequent help for our patrons and our library.

I wish to thank the Littleton Public Library Board, the Littleton Public Library staff, and the people of this community for a good year of increased services.

Sincerely,

ELSIE R. RILEY  
Librarian

# **ANNUAL REPORT OF LITTLETON DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS**

## **STREETS AND HIGHWAYS**

The T.R.A. project on the Foster Hill Road was completed this past season. With T.R.A. funds the Sampson Road was widened, new drainage installed, and the gravel base was laid. This project will be completed this coming summer.

The department continued with its asphalt resurfacing program, which also will be continued this coming summer.

Some minor improvements on back roads were made—such as cutting trees which were too close to the road, and cutting back banks for more width and sight distance. There is much of this work which needs to be done, but with the work load of installing and maintaining septic tanks there is little time left for such work.

The Bridge Street Bridge was repaired this past summer and the department did the work around the abutments.

## **SEWERS**

During this past season approximately 4800 feet of sanitary sewer was laid to pick up sewerage on Manns Hill. This work was done under contract. There were only a few house connections made into this line last year because the work was not completed until late fall. It is the hope of the department that the remainder of the connections will be made as soon as weather permits so that the road can be resurfaced.

The town department installed a new 8-inch sanitary sewer on Myron Street last summer which will eliminate some of the trouble we have had in the past in this area. Also we installed a new storm sewer on Patriot's Drive which should take care of some of the water which used to set on the street. The septic tank business boomed this past season with the department making many installations and some were contracted out. This work takes much manpower and equipment time from other work which needs to be done.

**PERRY A. GOODELL**  
Superintendent of Public Works

## **LITTLETON PARK COMMISSIONERS' REPORT FOR BUDGET YEAR OF 1969**

Remich Park was the main focal point of the Littleton recreational development during the past year.

Beginning with the construction of the new municipal swimming pool and bath house additional improvements were made at the Remich Park ski-tow and Little League field. Also a new and larger water line was installed at the skating rink and the park drainage program got well under way. A new separation net and basketball nets were installed at the tennis and basketball courts.

At Apthorp Common new bleachers were added and new light poles were installed. The loaming and reseeding program continued to improve the grounds at the Common.

At the Mt. Eustis ski area ten (10) additional flood lights have been purchased and should be installed during the coming summer.

Although our 1969 Swim Program encountered a brief delay in getting started, once under way it turned into a tremendous success with nearly 5,000 children and adults using the new pool facilities.

The Littleton park commissioners wish to extend their sincere thanks to the many Littleton citizens and businesses who helped make this past year so successful.

## POLICE REPORT

There were 56 more arrests in Littleton during 1969, more than during 1968, the annual report by Chief McIntyre reveals.

Twenty five persons were arrested for burglary, (10 being brought into Juvenile Court). Burglaries were cleared up in Central Jeep, and Littleton Hardware, Mildred C. Lakeway School. Also arrested John Dillion of Barre, Vermont, and he received 2-5-yrs. at Concord for burglarizing Winslows Pharmacy. Several other burglaries, cleared up burglaries at Esso 93 Service Station, also cleared was a burglary in early October at Saranac Glove Co. This was cleared up the same day it occurred, and \$300.00 was returned to the owners. Cleared up as the year ended were burglaries in Schoff's Mill, and two more at Central Jeep. This youth, received a sentence in the house of correction, upon his release he will be returned to Sanford, Maine where he is wanted there.

Motor Vehicle arrests totalled 194 exceeding 1968 total by 71. Leading in this catagory was 26 arrests for Operating Under the Influence of Intoxicating Liquor. This is the highest total ever achieved and is about 10 over a normal year of the past.

Last year Littleton again won its 11th Pedestrian Safety Award. Once again with latest statistics in we should receive our 12th award for last year's record, with two pedestrian accidents. Littleton had 135 reportable accidents an increase of twenty although a stiff traffic enforcement program was carried out. Littleton did complete another year without a motor vehicle fatal accident, this in itself is quite a feat with 35 miles of public roads to patrol.

In September Littleton once again won its 12th State Auxiliary Police Title and first leg on a new large Governor Peterson Trophy.

Starting last October 22nd, and due to extend through March 28th, three regular police, Officer Donald Nocky, Gilbert and Chief McIntyre, were attending the White Mountain Law Enforcement Institute held two week nights for two hours each at Plymouth State College. This educational Program proves highly beneficial and it is hoped it will continue. This course has had an excellent drug and narcotics program.

Meter Revenue for 1969, including fines, was \$12,886 and was higher than it had been for the last six years.

We look for an increase in serious crimes, and motor vehicle arrests for the year 1970.

We have enjoyed the cooperation of the Board of Selectmen who have been most cooperative the past year.

## FOURTEENTH ANNUAL REPORT OF THE LITTLETON PLANNING BOARD

For the first time in a number of years the Planning Board membership remained the same. Mr. Andrew Poulsen, who had been elected to the Board of Selectmen, remained as an ex-officio member.

The monthly meetings with the representatives of the Edwards and Kelsey consulting firm continued into July. The Master Plan which will be a guide to the future planning and growth of the Town of Littleton was completed and copies were received in August.

Last year the Board started on preliminary work to draw up a Zoning Ordinance to be presented to the people of the Town. Recommendations included in the Master Plan were considered as were other plans from other towns, in state and out, and those suggestions put forward by interested citizens. From this material a Proposed Zoning Ordinance for the Town of Littleton was compiled. Copies of the Proposed Ordinance were distributed and two public hearings held to inform the people and to consider any further suggestions.

There are now several sub-divisions in the Town of Littleton. The regulations adopted by the Board in 1966 seem to provide satisfactory guidelines both to the Town and to the sub-divider.

We thank all those who in various ways have been helpful. Information, suggestions are always welcome. Monthly meetings are on the first Wednesday of the month.

## CONSERVATION COMMISSION

Major emphasis in 1969 was directed to management of the Dells. This program continued with the knowledge and full cooperation of the Park Commission, which has the ultimate responsibility. Both entrance ways are now chained off; this policy was implemented for three reasons: 1) by restricting the Dells to persons on foot, the problems of vandalism and litter have been lessened; 2) the attractiveness of the Dells as a picnic and natural area can best be assured by keeping out motor vehicles; 3) the Dells roadway, particularly along the edge of the pond, is highly susceptible to erosion. Minimizing vehicular use aids in the preservation of the entire area. Special arrangements can be made with the commissioners for vehicular use.

In the fall of 1969, the State of New Hampshire Fish and Game Department judged the Dells pond as a suitable habitat for rainbow trout. Accordingly, the pond was stocked by that agency. It is anticipated that these trout will be of suitable creel size by the summer of 1970.

A nature trail parallels the brook in the Dells, and its use is enthusiastically encouraged for individuals and groups. The pond itself is an ideal outdoor ecological laboratory. Seasonal signs identify shrubbery and flowers. The Commission plans a brochure to be available by the summer of 1970 for both visitors and local people.

The Commission has begun a study of the Kilburn Crags. It plans to make recommendations as to the wisest future management of this valuable town property.

Continued study of water pollution in the area will be carried on by the Commission. By law the Ammonoosuc River is classified as "B" waters (suitable for all forms of recreation, including bathing). It is obvious that this classification has yet to be achieved.

Conservation education is also of prime importance in the Commission's activities.

## REPORT OF THE LITTLETON WATER AND LIGHT DEPARTMENT

### For The Year 1969

During the year three 6" water lines were laid. Of these, 1,344' of 6" pipe was added on Fowler Hill. 1,732' of 6" water main replaced 1,500' of 1½" line on the Sampson Road. A hydrant was installed in each location. The third extension consisted of 594' of 6" water line to service the Municipal Swimming Pool and this also replaced a 2" line formerly servicing customers in the area.

120' of 4" pipe on Clay Street was replaced with 6" pipe and the 2" line on Myron Street was extended 252'.

Twenty customers were added to the system plus the new Corey Trailer Park, Newton Trailer Park and Municipal Swimming Pool.

An agreement was reached with the Bethlehem Water Department by which their customers on the Brook Road will be serviced by the Department in reciprocation for Department customers they service on the Bethlehem Road.

Water rates were increased approximately 25% on October 1.

Engineering work progressed for a new reservoir on Mt. Eustis to service the South side of town with construction to be started in 1970.

In the electric department, cross arms were renewed and wire sizes increased on the following streets: Pine, Bryan, Washington, Carleton, Railroad, Mill, Redington, Sampson Road and Manns Hill.

The size of the line was increased up Oak Hill Avenue to accommodate the added load of the electrically heated portable classrooms at the High School.

Primary wires were replaced on Pine Hill with a new line being built for the Municipal Swimming Pool and Remich Park Ski Tow.

Two spur line extensions were made on Farr Hill, one on the Brook Road, Newton Trailer Park, Corey Trailer Park, Mt. Eustis and Fairview area.

Thirty-nine services were added, of these, seven customers installed electric heat.

A new domestic and commercial electric heat rate was established. Initial wiring allowances were established for any person installing electric heat. \$100.00 is granted for each dwelling unit plus \$15.00 per kilowatt of permanently installed space heating equipment up to a maximum amount equal to 110% of the calculated heat loss providing required conditions are met.

Eleven area lights were installed on customers' premises and authorization was given to add three street lights.

A 1964 Dodge Station truck was traded with lowest bidder, John W. Tann and Sons.

Christmas gifts of November kilowatt consumption were given for the tenth consecutive year in the amount of \$44,851.59 for 1,753,046 kilowatt hours.

Capital improvements in both Departments totaled \$80,843.23.

This picture was probably taken in the 1920's because the covered bridge shown fell victim to the 1927 flood. The scene is taken from the street leading to the Brook Road and the present-day Norton Pike factory, looking back to where the Porter block stands. The Sears Roebuck factory was on the bank of the Ammonoosuc in front of this block. The tiny building is the Apthorp railway station, warmed by a pot-bellied stove. Mrs. Elmer R. Jackson of Brook road (née Lillian Ross) who loaned the picture recalls when residents in that section would "flag down" the train and for a nickel ride the mile to Littleton.
